Mr Paul Foot [journalist]

Dear Mr Foot,

I am writing this to express our deep appreciation of the great moral courage and integrity shown by you on the Channel 4 programme on the Gulf crisis, telecast midnight 23/24 February.

It is a pity that vested interests have deliberately confused the issues and used the question of Kuwait to unleash a terrible war whose aims extend far beyond the liberation of Kuwait and hidden their hegemonistic designs behind the facade of high moral ground.

While thanking you for speaking out the truth as you saw it, we hope that you will continue to do so on this crucial issue which is going to have wide-ranging and long-lasting consequences, mostly unpleasant, for millions in the Middle East region.

With kind regards and best wishes,

Yours sincerely,

Salem Azzam
